AGENCY: Peace Corps.

ACTION: Notice of information collection for review by OMB and public comment.

SUMMARY: In accordance with the Paperwork Reduction Act, this notice invites the public to comment on the collection of information by the Peace Corps and gives notice of the Peace Corps’ intention to request Office of Management and Budget (OMB) approval of the information collection. The Peace Corps’ Office of Strategic Information, Research and Planning wishes to conduct focus groups with Returned Peace Corps Volunteers (RPCVs) about their post-service transition, post-service education and career, and their third goal activities of promoting a better understanding of other peoples on the part of Americans. The data will be used to assess the range and type of services available to RPCVs and to support accurate interpretation of Agency level data.

SUPPLEMENTARY INFORMATION:

Title: Focus Groups with Returned Peace Corps Volunteers.

Need for and Use of This Information: The third strategic goal in the Peace Corps’ 2009 to 2014 strategic plan, is to “Foster outreach to Americans through agency programs that assist Volunteers and Returned Peace Corps Volunteers to help promote a better understanding of other peoples on the part of Americans.” The Agency meets this goal through programs that encourage outreach to the American public through a variety of means such as personal interaction, electronic communication, and cross-cultural education curricula. The challenge for the Peace Corps in advancing such outreach is to ensure that the programs are publicized and on target in matching Volunteers and RPCVs with appropriate audiences, and that the agency uses technology effectively. The agency administers a Volunteer survey and project specific surveys to gather

information about how active Volunteers support this goal. But, there is no similar mechanism for gathering such information from Returned Volunteers. These focus groups will be conducted to test the assumption that promoting a better understanding of the cultures in which they served is a lifelong commitment that becomes integrated into their lives but that RPCVs do not necessarily report such interactions to the agency. These focus groups will provide an opportunity for in-depth discussion with RPCVs about the long-term outcomes of their Service on their promotion of a better understanding of other peoples on the part of Americans. The information gathered will be used by the Office of Strategic Information, Research and Planning to identify the breadth and scope of third core goal activities by Returned Volunteers.

SUMMARY: In accordance with the Paperwork Reduction Act, this notice invites the public to comment on the collection of information by the Peace Corps and gives notice of the Peace Corps’ intention to request Office of Management and Budget (OMB) approval of the information collection. The Peace Corps’ Office of Strategic Information, Research and Planning wishes to survey a sample of Returned Peace Corps Volunteers about their feelings about their in-country experience, post-service transition, post-service education and career, and their

third core goal activities of promoting a better understanding of other peoples on the part of Americans. The data collected will inform agency programming and help the Agency to assess, through updated and objective data, the extent of RPCVs' cross-cultural activities with their family, friends, and communities throughout the United States with whom RPCVs come in contact. The data will be used specifically by the Office of Domestic Programs to review the range and type of services and support available to RPCVs and by the Office of Strategic Information, Research, and Planning to support Agency level reporting.

The data will be used to assess the range and type of services available to RPCVs, improve Peace Corps operations (e.g., recruitment for PC Response), and support Agency level performance reporting. Where possible, data will be compared across surveys to look for trends over time. Data will be collected from a simple random sample of Returned Peace Corps Volunteers sufficient to gather data with a 99 percent confidence level and a confidence interval of plus or minus 5.

November 25, 2008.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on November 18, 2008, the International Securities Exchange, LLC ("ISE" or "Exchange") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Exchange has designated the proposed rule change as constituting a rule change under Section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(6) thereunder,⁴ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The ISE proposes to amend ISE Rule 2101 to state that the Exchange will halt trading in managed fund shares or actively managed exchange-traded funds trading on the Exchange pursuant to unlisted trading privileges ("UTP") if

the Exchange is notified by the listing market that the disclosed portfolio is not being disseminated to all market participants at the same time. The text of the proposed rule change is available on the Exchange's Web site www.ise.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

ISE Rule 2101(a)(2)(iii)(B) states that the Exchange will halt trading in new derivative securities products⁵ trading on the Exchange pursuant to UTP, if the listing market notifies the Exchange that the net asset value is not being disseminated to all market participants at the same time. The Exchange also proposes to correct the paragraph numbering in 2101(a)(2)(iii)(C).

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Act and the rules and regulations under the Act applicable to a national securities exchange and, in particular, the requirements of Section 6(b) of the Act.⁶ Specifically, the Exchange believes the proposed rule change is consistent with Section 6(b)(5) of the Act's⁷ requirements that the rules of a national securities exchange be designed to
